THINGS TO DO ON SEABROOK ISLAND

Recreate, relax, revive.

Golf

Seabrook Island offers two championship 18-hole, par 72 golf courses. Ocean Winds, designed by Willard Byrd, plays out to the ocean and returns along the sea. Crooked Oaks, created by legendary Robert Trent Jones, laces through Seabrook's ancient live oaks, hardwoods, palmettos and tall pines. Lessons and equipment rentals are available through the pro shop.

Tennis

Seabrook's popular Tennis Center features Har-Tru clay courts where professionals offer excellent teaching programs for all levels of play. Find a partner or play in the many tournaments organized throughout the year. A fully stocked pro shop is available.

Horseback Riding

Only Seabrook offers their famous Equestrian Center featuring 42 stalls and three miles of spectacular island and beach trails. Both English and Western instruction are offered at all levels—and pony rides, too! Enjoy an exhilarating, guided beach ride or scenic trail ride.

Water Sports

Bohicket Marina, adjacent to Seabrook Island, is a full-service facility accommodating yachts up to 110 feet. The marina is only three-and-a-half miles away from the Intracoastal Waterway, then on to the open Atlantic. Charter fishing boats, sailboats, and runabouts are available for hire.

Swimming

Along with Seabrook's three and a half miles of soft, white sand beaches, the Club at Seabrook's pool complex features a junior Olympic size lap pool, wading pool, and a family size pool. Private swimming lessons and water aerobics are available during summer months. Pool use is complimentary for Seabrook Exclusives' guests.

Crabbing

Take advantage of this old time favorite activity from Seabrook's crabbing dock along the marsh. Crabbing and fishing equipment are available at the Recreation Pavilion.

Kid's Club

Seabrook offers a fun filled Kid's Club from Memorial to Labor Day and holidays. Featuring educational activities, crafts, biking, golf, tennis, horseback riding, swimming and more, this expertly supervised program is geared for children age four to 12. For more information on the Kid's Club half- and full-day program schedules and rates, call 843.768.7525.

Teen and Family Activities

Teens have a chance to mingle at their very own pool parties and organized games. Family activities include bingo, ice cream socials, movie nights and other events throughout the summer. Daily activities are posted in the Recreation Pavilion.

Biking

Seabrook's Spanish-moss draped roads and lowcountry background offer a relaxing pleasure ride or a full exercise workout. The Island's 25 mph, strictly enforced, speed limit and bike lanes make biking the best way to enjoy the scenery. Surf Scooter Bicycles is our rental company of choice. 843-768-9585 or www.surfscooter.net.

Fitness Center

Located in the Recreation Pavilion, this newly structured exercise facility offers everything you need for cardiovascular and strength training workouts to yoga classes. The Center also includes televisions and music, as well as unforgettable ocean views.
